

WELL BALANCED AND MANEUVERABLE MUSCLE

Sometimes there's just no substitute for horsepower and speed on extra-large jobs. With the Wright **Mid-mount Z**, you also don't have to sacrifice a quality cut for muscle to get the job done quickly and efficiently. Yet, it also features a compact, lightweight design that fits easily on a trailer and reduces rut damage on soft turf. The low center of gravity gives you the stability to handle hills and maneuver around obstacles with confidence.

- With deck sizes of 52" and 61"
- Inverted pump motor drive
- Engines and hydros mounted low for great stability
- Fully adjustable suspension seat
- Adjustable rear wheel position for ideal balance when used with collection system
