

INVESTMENT THAT PAYS

ULTIMATE MOWER, PERIOD

With its stand-on design, the revolutionary **Stander ZK** combines uncompromised control, speed and traction with the power you need for the smallest to the largest jobs. Take the stress off your back and use your legs to ride hills and tackle changing terrain – anything else is simply sitting down on the job.

- With deck sizes of 52", 61" and 72"
- Short overall length for greater maneuverability than any mid-mount Z
- Full sized, yet nimble and easy to control
- Mows faster than most mid-mount Z's
- Quick cut height adjustment – changes from 1.5" to 5.5" easily
- Low center of gravity and large wheels for hillside stability
- No seat, seat belts or arm rests mean you can easily bail out or step off to pick up debris
- Cooling fans on pumps and planetary drive motors for long-life and maximum torque
- Flat-free caster wheels, 13 x 6.5 with sealed bearings
- Standard striping kit
- No in-season maintenance beside engine and blades
